The book cover features a detailed illustration of a mother sheep and her lamb. The mother sheep, on the right, has thick, curly yellow wool and is shown in profile, looking down at her lamb. The lamb, on the left, is smaller and also has yellow wool, resting its head against the mother's. They are in a green grassy field under a dark night sky with a few stars. The title is in a white box at the top, and the author and illustrator names are in the bottom right corner.
